IMPACT AID SURVEY FORM

November 10, 2020

TO: Parents/Guardians of Russell County School District Students

FROM: Russell County School District

SUBJECT: Public Law 874 Survey, October 1, 2020

The Russell County School District is conducting a survey to determine if the parents and/or guardians of the currently enrolled students are:

- 1) **Civilian** – Not a member of the active military *and* employed on federal property *or* reported to work on federal property on the survey date.
- 2) **Member of Uniformed Services** – Active duty on the survey date.
- 3) **Foreign Military** – An accredited foreign government official and a foreign military officer on the survey date.

Federal Impact Aid is designed to assist the United States local school districts that have lost property tax revenue due to the presence of tax-exempt Federal property, or that have experienced increased expenditures due to the enrollment of federally connected children, including children living on Indian lands. By completing this survey you are helping the Russell County School District acquire Federal funding from the Impact Aid Program.

If you fall into one of the above categories, please take just a few moments to fill out the attached survey, ensuring the section that applies to you is filled out completely and accurately. Once complete, please be sure to **sign and date** the form.

If you do not fall into one of the above categories, simply complete the student information, sign and return to your school.

Any forms with missing or inaccurate information will be discarded, resulting in a loss of funding for the school district.

Remember, only those sections that apply to you need to be filled out.

Thank you for helping make an impact on the Russell County School District.
