IMPACT AID SURVEY FORM

October 20, 2021

TO: Parents/Guardians of Russell County School District Students

FROM: Dr. Brenda Coley, Superintendent

SUBJECT: Public Law 874 Survey, October 1, 2021

Federal Impact Aid is designed to assist the United States' local school districts that have lost property tax revenue due to the presence of tax-exempt Federal property, or that have experienced increased expenditures due to the enrollment of federally connected children, including children living on Indian lands. By completing this survey you are helping the Russell County School District acquire Federal funding from the Impact Aid Program.

The Russell County School District is conducting a very important survey to determine if the parents and/or guardians of students enrolled in our district, as of the survey date, October 1, 2021 are:

- 1) **Civilian Employed on Federal Property** – Employed on federal property or reported to work on federal property on the survey date, October 1, 2021.
- 2) **Member of Active Duty Uniformed Services** – Active duty on the survey date, October 1, 2021.
- 3) **Foreign Military** – An accredited foreign government official and a foreign military officer on the survey date, October 1, 2021.

If you fall into one of the above categories, please take just a few moments to fill out the attached pink survey, ensuring the section that applies to you is filled out completely and accurately. Once complete, please be sure to sign and date the form.

If you do not fall into one of the above categories, simply complete the student information, sign, date, and return the form to school.

Any forms with missing or inaccurate information will be discarded, resulting in a loss of funding for our school district.

Remember, only those sections that apply to you need to be filled out.

Thank you in advance for completing the survey and returning it to your child's school, as well as for making an impact on the education of our children, "We Are All In This Together".
