March 29, 2022

Dear Russell County School District parents or guardians,

We appreciate your continued support as we continue to navigate through the health pandemic of COVID-19 and wanted to provide an update on the wearing of masks. As recently stated, the wearing of masks is optional in our buildings, and effective immediately the wearing of masks is also optional on our school buses. If there is a rise in COVID-19 cases, we may have to reinstate the requirement of masks.

We will continue to contact trace when we are notified of a student/employee testing positive for COVID-19. Notification will be sent home to those individuals that have been within 3 feet for a duration of 15 minutes or longer. If you receive a close contact letter, we encourage you to continue to send your child to school and monitor for symptoms for the next 10 days.

Our goal is to continue to keep all of our students and employees safe and we want to keep our schools open. Again, thank you for your continued support. We are committed to providing your child an excellent education and remember, "We Are All in this Together".
